

JW Marriott Cancun-Tulum Terrace

Right between the JW Marriott Cancun and the CasaMagna Cancun, the Tulum Terrace offer our guest the availability to obtain the best of both worlds, not only connecting them , but also complementing each property's meeting space , adding a covered and air conditioned full ocean & lagoon view venue.

JW Marriott Cancun-Tulum Terrace

Our brand-new cooling system injects cold air throughout floor diffusers, which generates a surrounding breeze, reducing the external temperature up to 15 degrees Fahrenheit and also reducing the level of humidity in the entire space.

JW Marriott Cancun-Tulum Terrace

The Tulum Terrace has a total of 14 diffusers strategically located to secure fresh air throughout the entire area. (1,137 m² or 12,239 sqf)
