

ARUBA MARRIOTT RESORT & STELLARIS CASINO

Spa Fact Sheet

OVERVIEW	Mandara Spa's first location in the Caribbean is at the Aruba Marriott. With 300 different treatment options in their spas throughout the world, the menu at the Mandara Spa Aruba is tailored to the resort's theme, design and clientele. Mandara blends three philosophies, incorporating one-third Balinese treatments in keeping with the roots in which Mandara was found, one-third traditional and classic techniques stemming from Europe or Asia, and one-third indigenous or native to the land in which the spa is located.
LOCATION	The Mandara Spa is located on the ground floor of the Marriott Ocean Club, a time-share property adjacent to the Aruba Marriott, located on the island's west shore.

Neo- Marine Spa Treatment

A specific treatment for the face and neck area, based on active ingredients extracted from seaweed combined with herbal extracts and vitamins. This treatment captures moisture from the air and releases it gradually deep into the skin, softening and rejuvenating the epidermis, improving the skin's blood circulation, minimizes fine lines, wrinkles, strengthens and protect the skin.

That's A Wrap

Enjoy a Thalasso Foot Bath and Lavender Body Wash. Next, be pampered with a Balinese Scrub and Aloe Cucumber wrap, then let your body rest in a Balinese Aromatherapy Floral Bath with private tea service, before enjoying an 80 minute Massage del la Aruba.

RATES

Treatments start at under \$50 for a romantic personalized spa bath and range up to \$300-plus for packages including several treatments and relaxation time.
